MINUTES RECOMMENDATION

PUBLIC COMMENTS – None.

CHAIR'S UPDATE – Chair Trotter gave an encouraging update of his first couple months as chair. He reported that he attended the Little Hoover Commission hearing on June 22, 2017 and found it to be very informative and exciting with lots of energy and good ideas. Mr. Trotter also reported that he had a very positive and productive meeting with the Secretary last week. Their discussion included a plan to organize an extended orientation with the Deputy Secretaries and the newly full board and the types of presentations to the Board for future meetings that could broaden their approach and enhance engagement with the Department.

DEPARTMENT FORUM: Department Update, Secretary Imbasciani.

Secretary Imbasciani began by expressing his gratitude to the Governor's office regarding the two new Appointments to the Board and stated that both the Board and the Department have been rejuvenated.

The Secretary briefed the Board on the following:

1. The California State Approving Agency for Veterans Education, (CSAAVE): CSAAVE accredits California educational institutions and continues to make sure our Veterans get their money's worth from their GI bill. To be accredited through CSAAVE, the institution must demonstrate their ability to not only educate Veterans through a diploma/degree but they must be insuring that these same veterans are becoming employed as a result. Recently, suspicious activity within some of our educational institutions has come to the department's attention requiring CSAAVE to investigate and put a stop to any fraud associated with the physical location of a school/institution and that which is being declared.
2. Veteran Resource Centers: The Secretary met recently with the Chancellor of the Community Colleges to encourage Veteran Resource Centers on all the community college campuses.
3. Cemeteries: Igo and Yountville are running smoothly. Monterey, which opened recently, became the final resting place for 300 Veterans within 3 months of opening. The conflict at the future Orange County site has been remedied by a swapping out of nearby land.
4. Farm and Home Loans: The general obligation bond will go before the voters soon and the Secretary is very confident that it will go through that process with ease as it has 27 times already.
5. Homes: Chula Vista was just awarded 5 stars and Barstow is up from 2 to 3 stars now. The Yountville rejuvenation remains at the forefront as the proposed Skilled Nursing facility project has made its way to the Governor's capitol master plan for the state. There is tremendous support for the project but actual funding for the project is still to be determined. The federal VA is very interested in creating a Master Plan to work together on this project.
6. The Electronic Health Record project has arrived at the end of phase 1 as the Department has heard from the 6th and last vendor. This moves them into phase 2, the request for proposals (RFP).
7. CalTAPP: California Transition Assistance Program is up and running.

COMMITTEE REPORTS/UPDATE ON STRATEGIC PLAN

Strategic Plan and Objectives

Action Items:

1. Hugh Crooks: Communication and Marketing

Member Crooks expressed that he still finds Veterans that are unaware of the Board's existence and he mentioned that he may put together a quarterly newsletter to continue to get the word out.

2. Carla Thornton: Services

Member Thornton reported that more women are serving their country now and that will most likely increase every year. She acknowledged the highly regarded work of Deputy Secretary Lindsey Sin and that there is a state conference coming up in October that she will attend to represent the Board.

Ms. Thornton commended the CSAAVE program as she was able to witness 8 Veterans who were accepted to a fire fighter academy utilizing their GI bill benefits.

She went on to reiterate the Secretary's sentiment in regards to the Veteran Courts, commenting that it is a great program to get vets back on their feet.

3. Todd Trotter: Administration

Mr. Trotter welcomed the new Board members and asked that Legislation and Homes be added back into the Agenda under Strategic Plan/Committee Updates.

EO Lassiter will send out the "Schedule of meetings" policy and any revisions to be considered will be brought to the next meeting. Mr. Crooks added that a meeting in the evening might bring more attendance. An Amory was suggested by Secretary Imbasciani.
