INSTRUCTIONS

Read the following instructions carefully before completing this Application. Please complete the Application on a typewriter or personal computer or print in ink. All questions **must** be answered completely and accurately, except as noted. You may be disqualified for any false or misleading statements or for omitting information. The information you furnish will be used to determine your eligibility and/or may be the basis for arriving at your final rating in an examination. During the course of an examination, you may be requested to provide additional information regarding your qualifications, your preference regarding work location, shifts, etc.

Easy ID - You are required to provide the following tracking information on the application. The first three letters of your last name at birth, the month and day of your birth and the last four digits of your social security number. If you have already established an Easy ID in the online system and it is different, please provide that Easy ID.

Social Security Number - Providing this is voluntary in accordance with the Privacy Act of 1974 (PS 93-579). However, if the Social Security Number is not provided, the department administering this examination will be unable to process your application for purposes of granting Veteran's Preference points, Career Credits, written test waivers, or to check for eligibility in promotional examinations.

Home/VRS/TTY Number - Provide your 10-digit home telephone, Video Relay Service (VRS) phone number, or Text Telephone (TTY) phone number.

Examination Title/Job Title - Fill in the exact title of the examination from the examination bulletin. Promotional examinations are only available to those who currently meet the criteria to apply on a promotional basis (i.e., civil service employee, veteran, legislative employee, etc.). If applying for a vacant position, enter the class title of the position/vacancy for which you are applying.

Question 2 - Reasonable Accommodation will be provided to applicants who need assistance to take an interview or written test. If you check "Yes" you will be contacted via telephone or mail to make specific arrangements.

Question 5 - Employment History/Discharges. Question 5 must be answered by all applicants. You must answer "Yes" if you have ever, because of poor performance or misconduct, been fired, dismissed, or terminated from a job, or had an employment contract terminated. Explain any "Yes" answers in the Explanations section. Include the facts in brief, the grounds for any action taken against you, and the circumstances under which you left the position. In completing this application, you do not need to answer "Yes" to Question 5 if:

- you have been rejected during a probationary period; or
- your employer withdrew the firing, dismissal, termination, or contract termination (either voluntarily or as part of a settlement); or
- a court or administrative agency overturned or revoked the firing, dismissal, termination, or contract termination.

If asked about past employment history by a prospective employer during the hiring process or probationary period, however, applicants are required to tell the truth regarding any firing, dismissal, termination, contract termination or rejection during probationary period, whether or not the action was overturned, revoked, or withdrawn (either voluntarily by the employer or, as part of a settlement agreement). Applicants are also required to provide factually correct information on the Employment History section of the application.

Questions 8 and 9 - These questions should be answered only if the examination bulletin indicates (a) a minimum or maximum age requirement for eligibility; and/or (b) a California Driver License requirement.

Explanations - Use this section to explain the details of any response that requires additional information. Be thorough, and attach additional sheet(s) if needed.

Signature - Your signature and the date signed is required. If the Application is not signed, it may be rejected.

Education - You must include a complete record of your training and educational background. Please read the Requirements section of the examination bulletin carefully for any special educational requirements. If more space is needed, attach additional sheet(s).

Licenses - If the examination bulletin calls for a specific license, professional certificate, or membership in a professional organization, list the full name of the license, certificate or organization, the license number, and the official expiration date of the document or membership.

Experience - You must include a complete list of your paid and/or volunteer work experience **which relates to the qualification requirements specified on the examination bulletin**. List all relevant jobs, during the past 10 years, regardless of duration, including part-time and military service. You should also list volunteer experience and jobs held more than ten years ago if they relate directly to the job for which you are applying. **State employees must list the specific departments for which they worked and indicate the specific civil service class title(s) held.**

Examinations Granting Veteran's Preference Points - If you have not previously applied for and been approved Veteran's Points, you must apply for the points by completing and submitting the Application for Veteran's Preference Form SPB-1093 to California Department of Human Resources.
