

Terms of Use

1. Not an Offer to Sell/Buy Securities: The information provided in this Web site does not constitute an offer to sell or buy securities or the solicitation of an offer to sell or buy securities and should not be relied upon to provide specific offering information in connection with any issuance, sale, resale, or remarketing of bonds, notes, or other obligations.

2. Dates of Documents: Any financial document contained in the Bond and Investor Information section of this Web site is marked with a Dated Date and speaks only as of that Dated Date, which may be prior to the date it is posted on this Web site. You are cautioned not to assume that any information has been updated beyond the Dated Date unless a document expressly states that it constitutes an update of a specific portion of a document. No inference should be made that the operations of the State and/or the Department and/or other economic conditions have remained the same since the Dated Date. The Department expressly disclaims any duty to provide an update of any document contained in the Bond and Investor Information Web pages.

3. Information is Subject to Change Without Notice and May Not Be Updated: The Department is under no obligation to update any information included in this Web site. The information and expressions of opinion herein are subject to change without notice and the posting of information on this Web site does not imply that there has been no change in the affairs of the Department.

4. Estimates or Other Forward-Looking Statements: The documents contained in the Bond and Investor Information Web pages may make "forward-looking statements" by using forward-looking words such as "may," "will," "should," "expects," "believes," "anticipates," "estimates," or others. You are cautioned that forward-looking statements are subject to a variety of uncertainties that could cause actual results to differ from the projected results. Because we cannot predict all factors that may affect future decisions, actions, events, policy decisions, or financial circumstances, what actually happens may be different than what is included in forward-looking statements.

5. Links to Other Web sites: Links to other Web sites have been avoided in the Bond and Investor Information Web pages. Rather, we may provide addresses of other Web sites to allow you independent access to other organizations whose expertise may be of value as an educational or reference tool. If you access one of these Web sites, remember that the Department has not participated in the preparation, compilation, or selection of information on any other Web site, and assumes no responsibility or liability for the views, content, or accuracy of any other Web site.

6. Investment Decisions: The Bond and Investor Information Web pages are not intended to replace any information or consultation provided by a professional financial advisor. Other than the specific information presented in the Bond and Investor Information Web pages, no other information on our Web site is intended to be the basis of or should be relied upon in making an investment decision.

7. Unauthorized Use Not Permitted: This is the official Web site of the Department. The Department disclaims all responsibility for any copies, modifications, and reproductions of this Web site or the information it contains

that are not produced by the Department. All users of the Bond and Investor Information Web pages of the Department's Web site remain subject to the general Terms of Use and Disclaimers of the Department's Web site.

8. Other Information May Be Available: The Bond and Investor Information Web pages are provided for the user's convenience, but they may not provide all information that may be of interest to investors. There may be other documents containing relevant information regarding the Department which may be available from other sources.

9. Set Your Internet Browser to Allow for "Scripting": The Bond and Investor Information Web pages use "pop-up" windows prior to showing selected information. To obtain the full benefit of the information provided through the web site, make sure your Internet browser is set to allow "scripting". (Most Internet browsers are preset to allow scripting, unless the user has turned off the "scripting" setting.)

10. Disclaimer: Other than the specific information presented in these Bond and Investor Information Web pages, no other information on the Department's Website is intended to be the basis or should be relied upon in making an investment decision.

11. [Subject to Conditions of Use](#). All users of the Bond and Investor Information Web pages remain subject to the general Conditions of Use of the Department's web site.
