

# ODYSSEY EXPERIENCE

## Join us for our **Memorial Day Event**

During the morning of Memorial Day the flag flies at half mast to honor those who sacrificed their lives. The Mid-Day Flag-Raising is to signal hope beyond death, and honor those who survived battle.

# We Remember...

Odyssey Experience is going to the VA Hospital on May 25th to celebrate Memorial Day and to spend time honoring with the men and women that have given their lives and made great personal sacrifices to help keep us all safe.
